Subject Fw: Mitigation Adequacy Memo

All,

Please see the attached mitigation status memo for our review. EPA will be giving comments back to the Port next week on this telecon regarding any immediate issues we see, and additional feedback during 60% design review.

thanks

S

Subject Mitigation Adequacy Memo

Here's the electronic version of the memo. We are set to discuss this during a conference call scheduled for Wednesday November 29th at 11:00 AM. The dial in number is Non-Responsive Non-Responsive. In the mean time, if you have any questions regarding the math or logic behind the math, give me a shout.
